ABOUT ME

Computer Science graduate with a solid foundation in IT and software development, dedicated to crafting reliable, innovative technology solutions. Skilled in full-stack web and mobile app development with React, React Native, Flutter, Laravel and Next.js, I bring a problem-solving approach and a meticulous eye for detail to every project. Driven by a passion for technology and a commitment to continuous improvement, I am eager to leverage my technical skills to create efficient, user-centered solutions. A collaborative team player, I communicate effectively and thrive in dynamic environments that encourage learning and adaptation.

WORK EXPERIENCE

13/08/2023 – 13/10/2023 Bahir Dar, Ethiopia

INTERNSHIP AMHARA SCIENCE AND TECHNOLOGY COMMISSION

During my internship, I designed engaging, user-friendly web interfaces, ensuring a seamless user experience through intuitive layouts and responsive design. I also contributed to developing a dynamic web application, handling both front-end and back-end tasks to create efficient, scalable solutions.
