ABOUT ME

Computer Science graduate with a solid foundation in IT, software development, database management, and networking, dedicated to crafting reliable and innovative technology solutions. Skilled in full-stack web and mobile app development with React, React Native, Flutter, Laravel, and Next.js, I combine my expertise with a problem-solving approach and a meticulous eye for detail. Proficient in designing, optimizing, and managing databases, as well as implementing secure and scalable networking solutions, I am driven by a passion for technology and a commitment to continuous improvement. A collaborative team player, I communicate effectively and thrive in dynamic environments that encourage learning, adaptation, and innovation.

WORK EXPERIENCE

13/08/2023 – 13/10/2023 Bahir Dar, Ethiopia
INTERNSHIP ASTC

During my internship, I designed engaging, user-friendly web interfaces, ensuring a seamless user experience through intuitive layouts and responsive design. I also contributed to developing a dynamic web application, handling both front-end and back-end tasks to create efficient, scalable solutions.

Business or Sector Information and communication

EDUCATION AND TRAINING
